

Team Involvement in Demonstration

Date	03 July 2026
Team ID	XXXXXX
Project Name	A Comprehensive Measure of Well-Being
Maximum Marks	1 Mark

Team Involvement in Demonstration:

This document records the active participation and roles of each team member during the project demonstration. It ensures that every member contributes meaningfully to the presentation and that responsibilities are distributed fairly and clearly.

S.No	Team Member Name	Role in Demo	Section Presented	Contribution Summary	Participation (Active / Passive)
1	Marem Hemalatha	Team Leader & Application & Code Presenter	Flask Application Demonstration, Source Code Explanation, Prediction Workflow	Demonstrated the complete Flask web application, explained the project structure, source code (app.py, HTML, CSS), machine learning integration, user workflow, and prediction process.	Active
2	Jarapala Padma Bai	Dataset & Model	Dataset, Data Preprocessing, Model Training	Explained the HDI dataset, preprocessing steps, feature selection, Linear Regression model training, and model generation (HDI.pkl).	Active
3	Prasanna Kogila	Project Overview Presenter	Problem Statement, Solution Overview, Technologies Used	Presented the project objectives, problem statement, proposed solution, technology stack, and overall system architecture.	Active
4	Sailekhana Thuraka	Repository & Testing Presenter	GitHub Repository, Testing, Deployment	Demonstrated the GitHub repository, folder structure, README, testing process, and deployment readiness of the application.	Active

Team Coordination Notes:

Aspect	Details
Team Leader / Coordinator	Marem Hemalatha
Overall Team Coordination Rating (1-5)	5
Any issues during demo	Minor issues occurred while integrating the trained machine learning model with the Flask web application and coordinating the final presentation among team members.
How issues were resolved	The team collaborated through GitHub, WhatsApp, and Google Meet to integrate all modules, verify the application, and rehearse the demonstration before the final presentation.
